FOR YOUR LASTING MEMORIES

WE

THE WI-HI STAFF

OF 1960

PROUDLY PRESENT OUR

“ROAD TO SUCCESS”

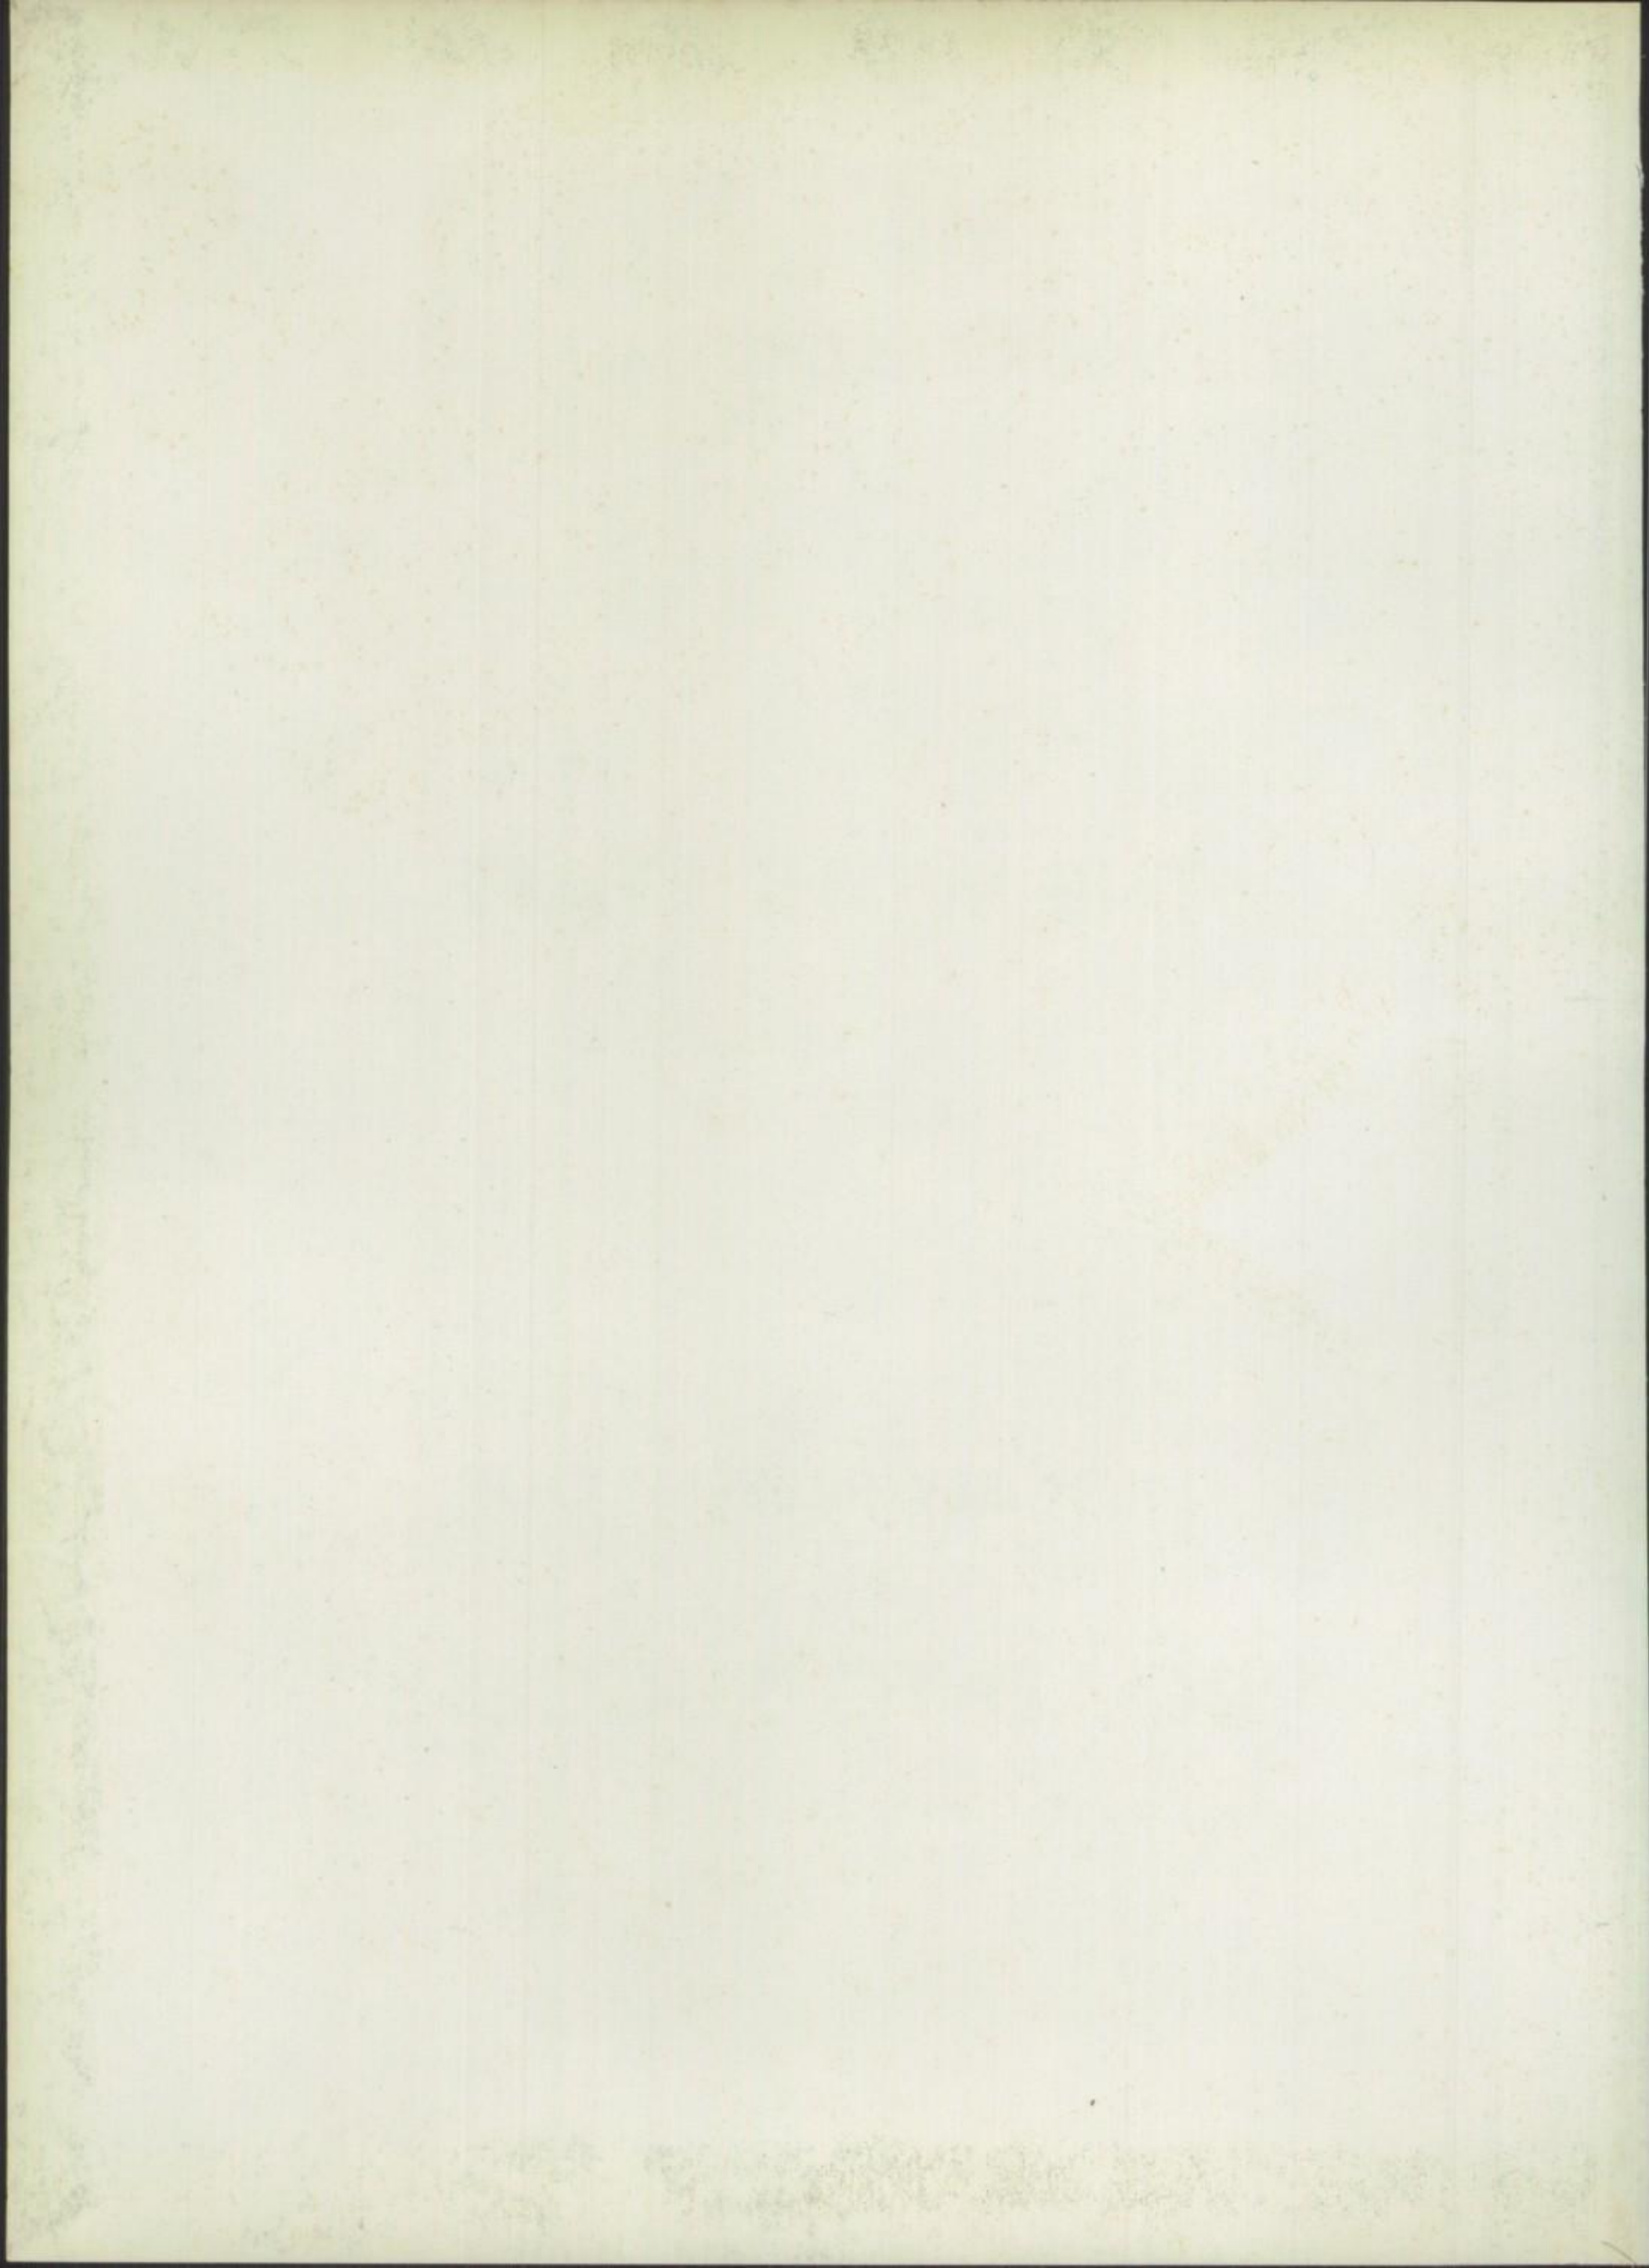

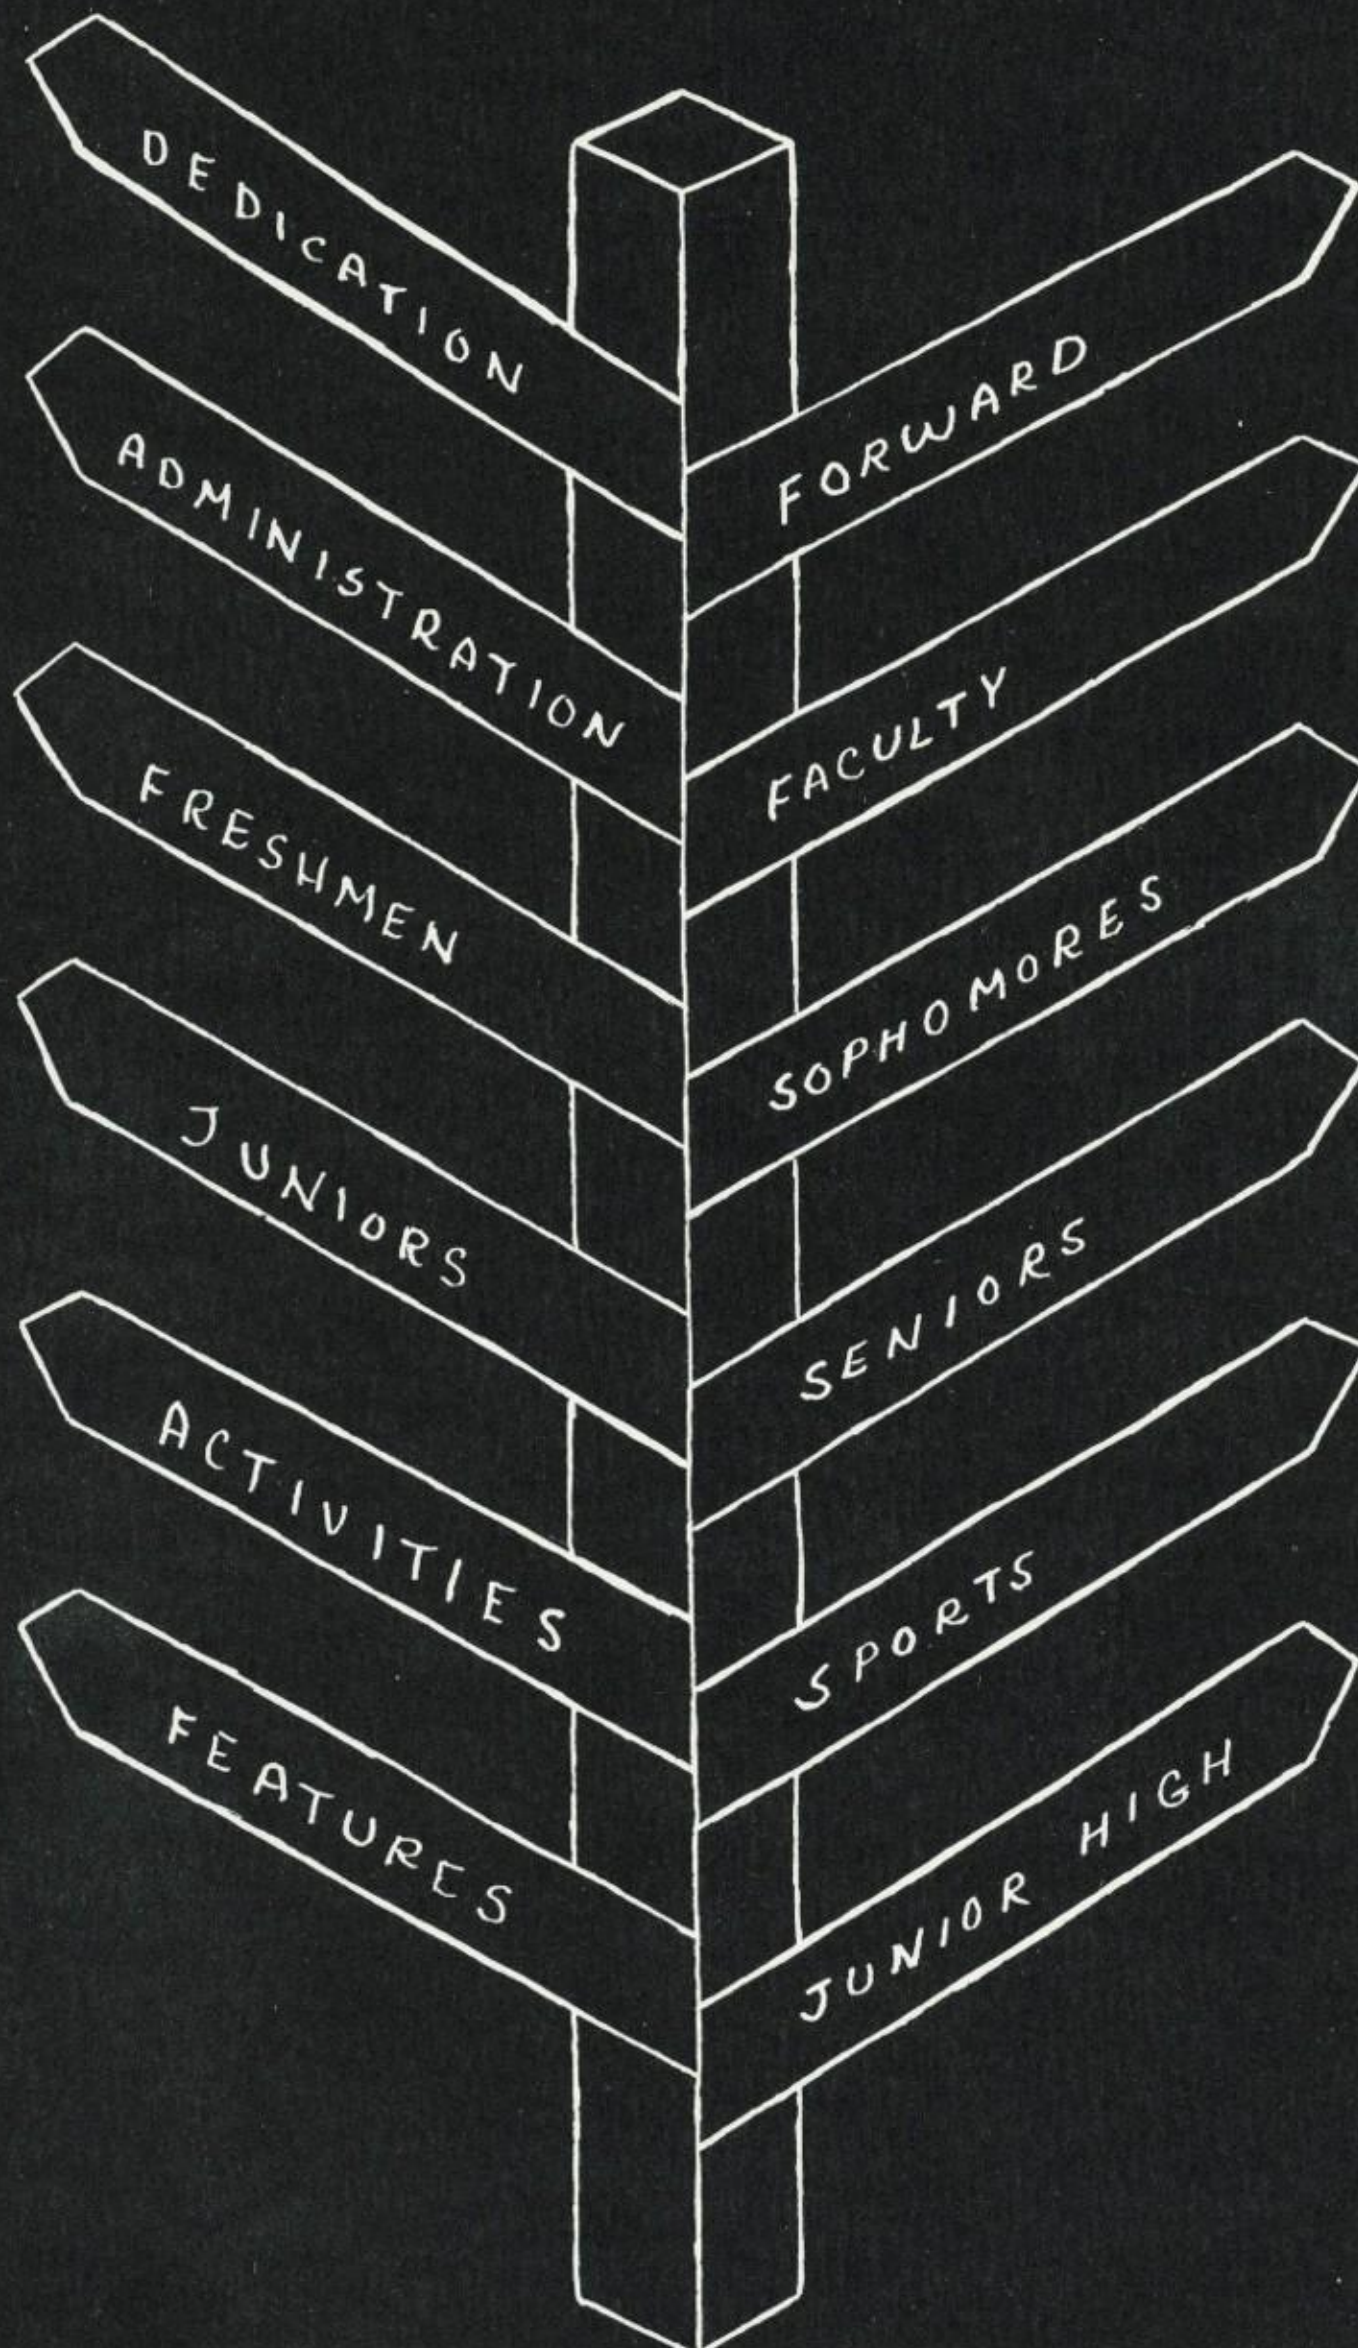

TABLE OF CONTENTS

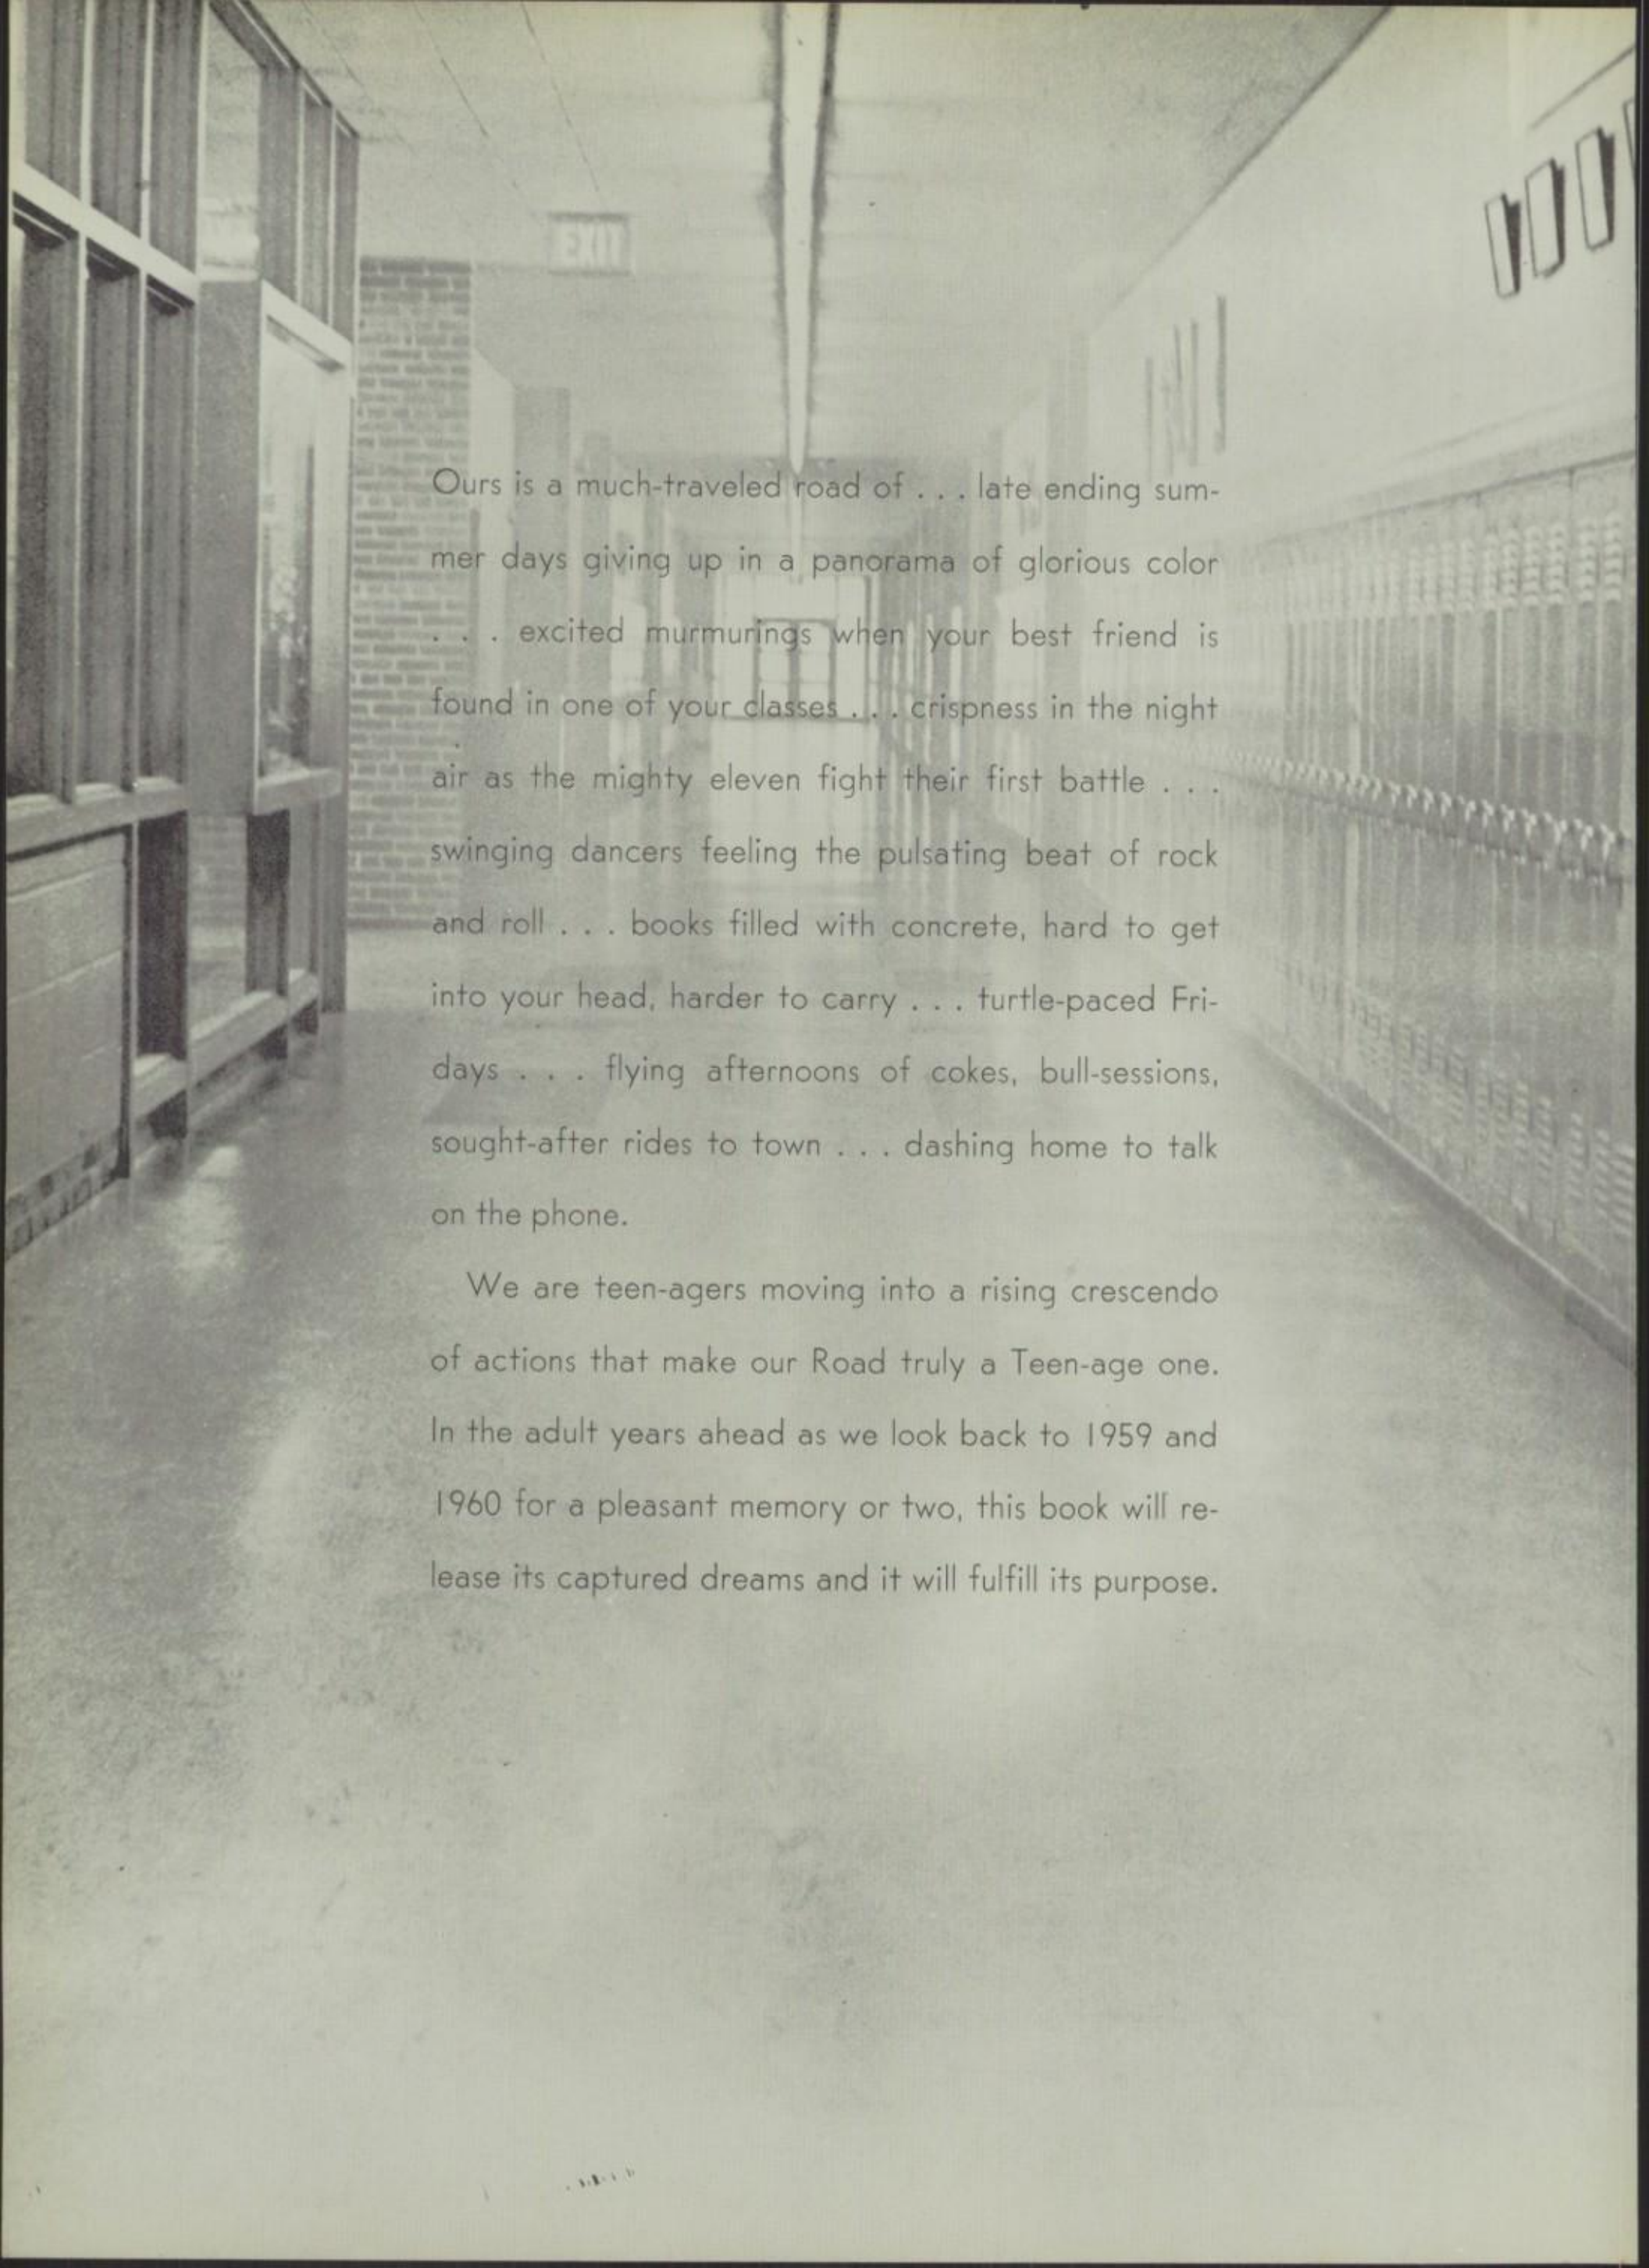

WE DEDICATE WITH PRIDE

Many years of untiring service to Wilmington High School, along with her cheerfulness and cooperation and genuine dedication to the teaching profession, have helped us, the class of '60, to make our choice for dedication. It is with sincere humility and appreciation that we dedicate this, our 1960 WI-HI, to MRS. FLORENCE LEMMONS.

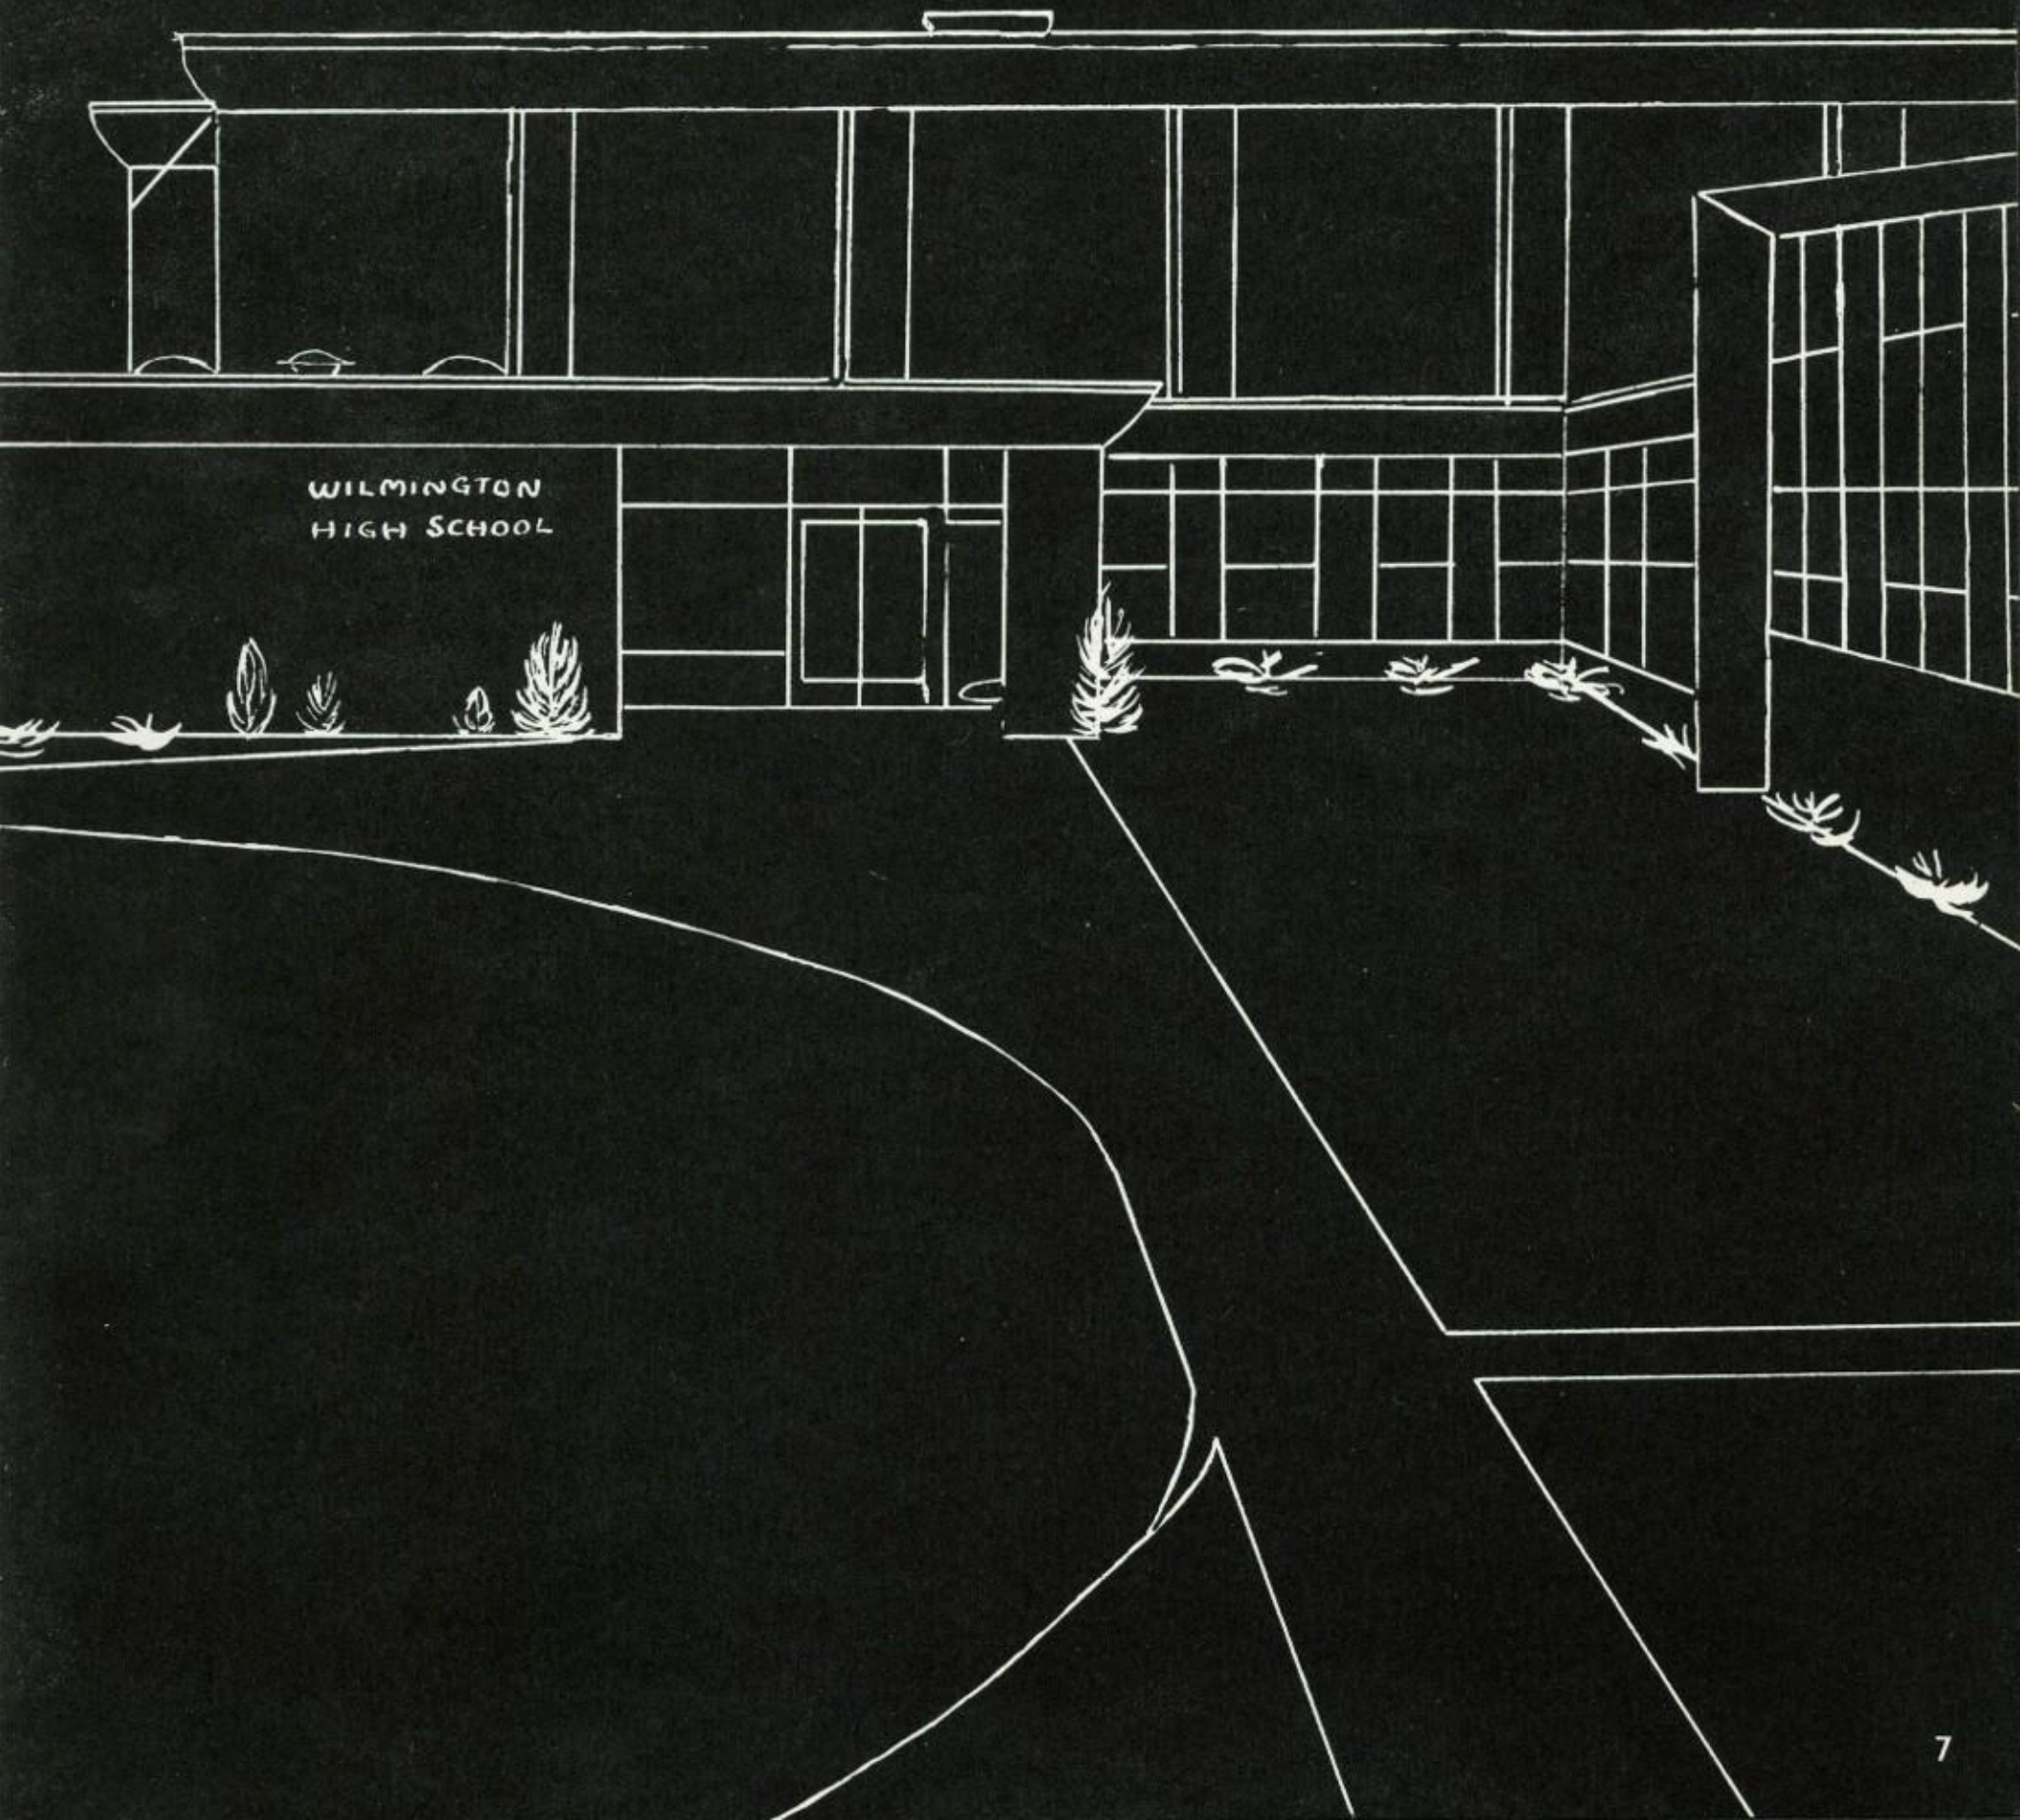

“MISS PAT”

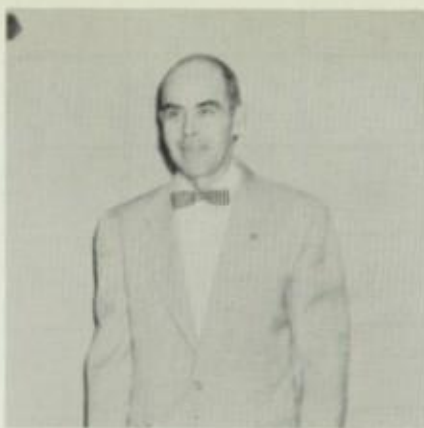

Ours is a much-traveled road of . . . late ending summer days giving up in a panorama of glorious color . . . excited murmurings when your best friend is found in one of your classes . . . crispness in the night air as the mighty eleven fight their first battle . . . swinging dancers feeling the pulsating beat of rock and roll . . . books filled with concrete, hard to get into your head, harder to carry . . . turtle-paced Fridays . . . flying afternoons of cokes, bull-sessions, sought-after rides to town . . . dashing home to talk on the phone.

We are teen-agers moving into a rising crescendo of actions that make our Road truly a Teen-age one. In the adult years ahead as we look back to 1959 and 1960 for a pleasant memory or two, this book will release its captured dreams and it will fulfill its purpose.

Wilmington, Illinois

TO THE CLASS OF '60:

For the first twelve years you have been laying the educational foundation for your life. What you do in this world of today will depend entirely upon you.

If one wants to be successful, it takes courage, determination, and hard work. Also, whatever walk of life you choose, you will be more successful if you know how to get along smoothly with people.

Best wishes and good luck to all of you.

Sincerely,

Lester J. Stevens

TO THE CLASS OF '60:

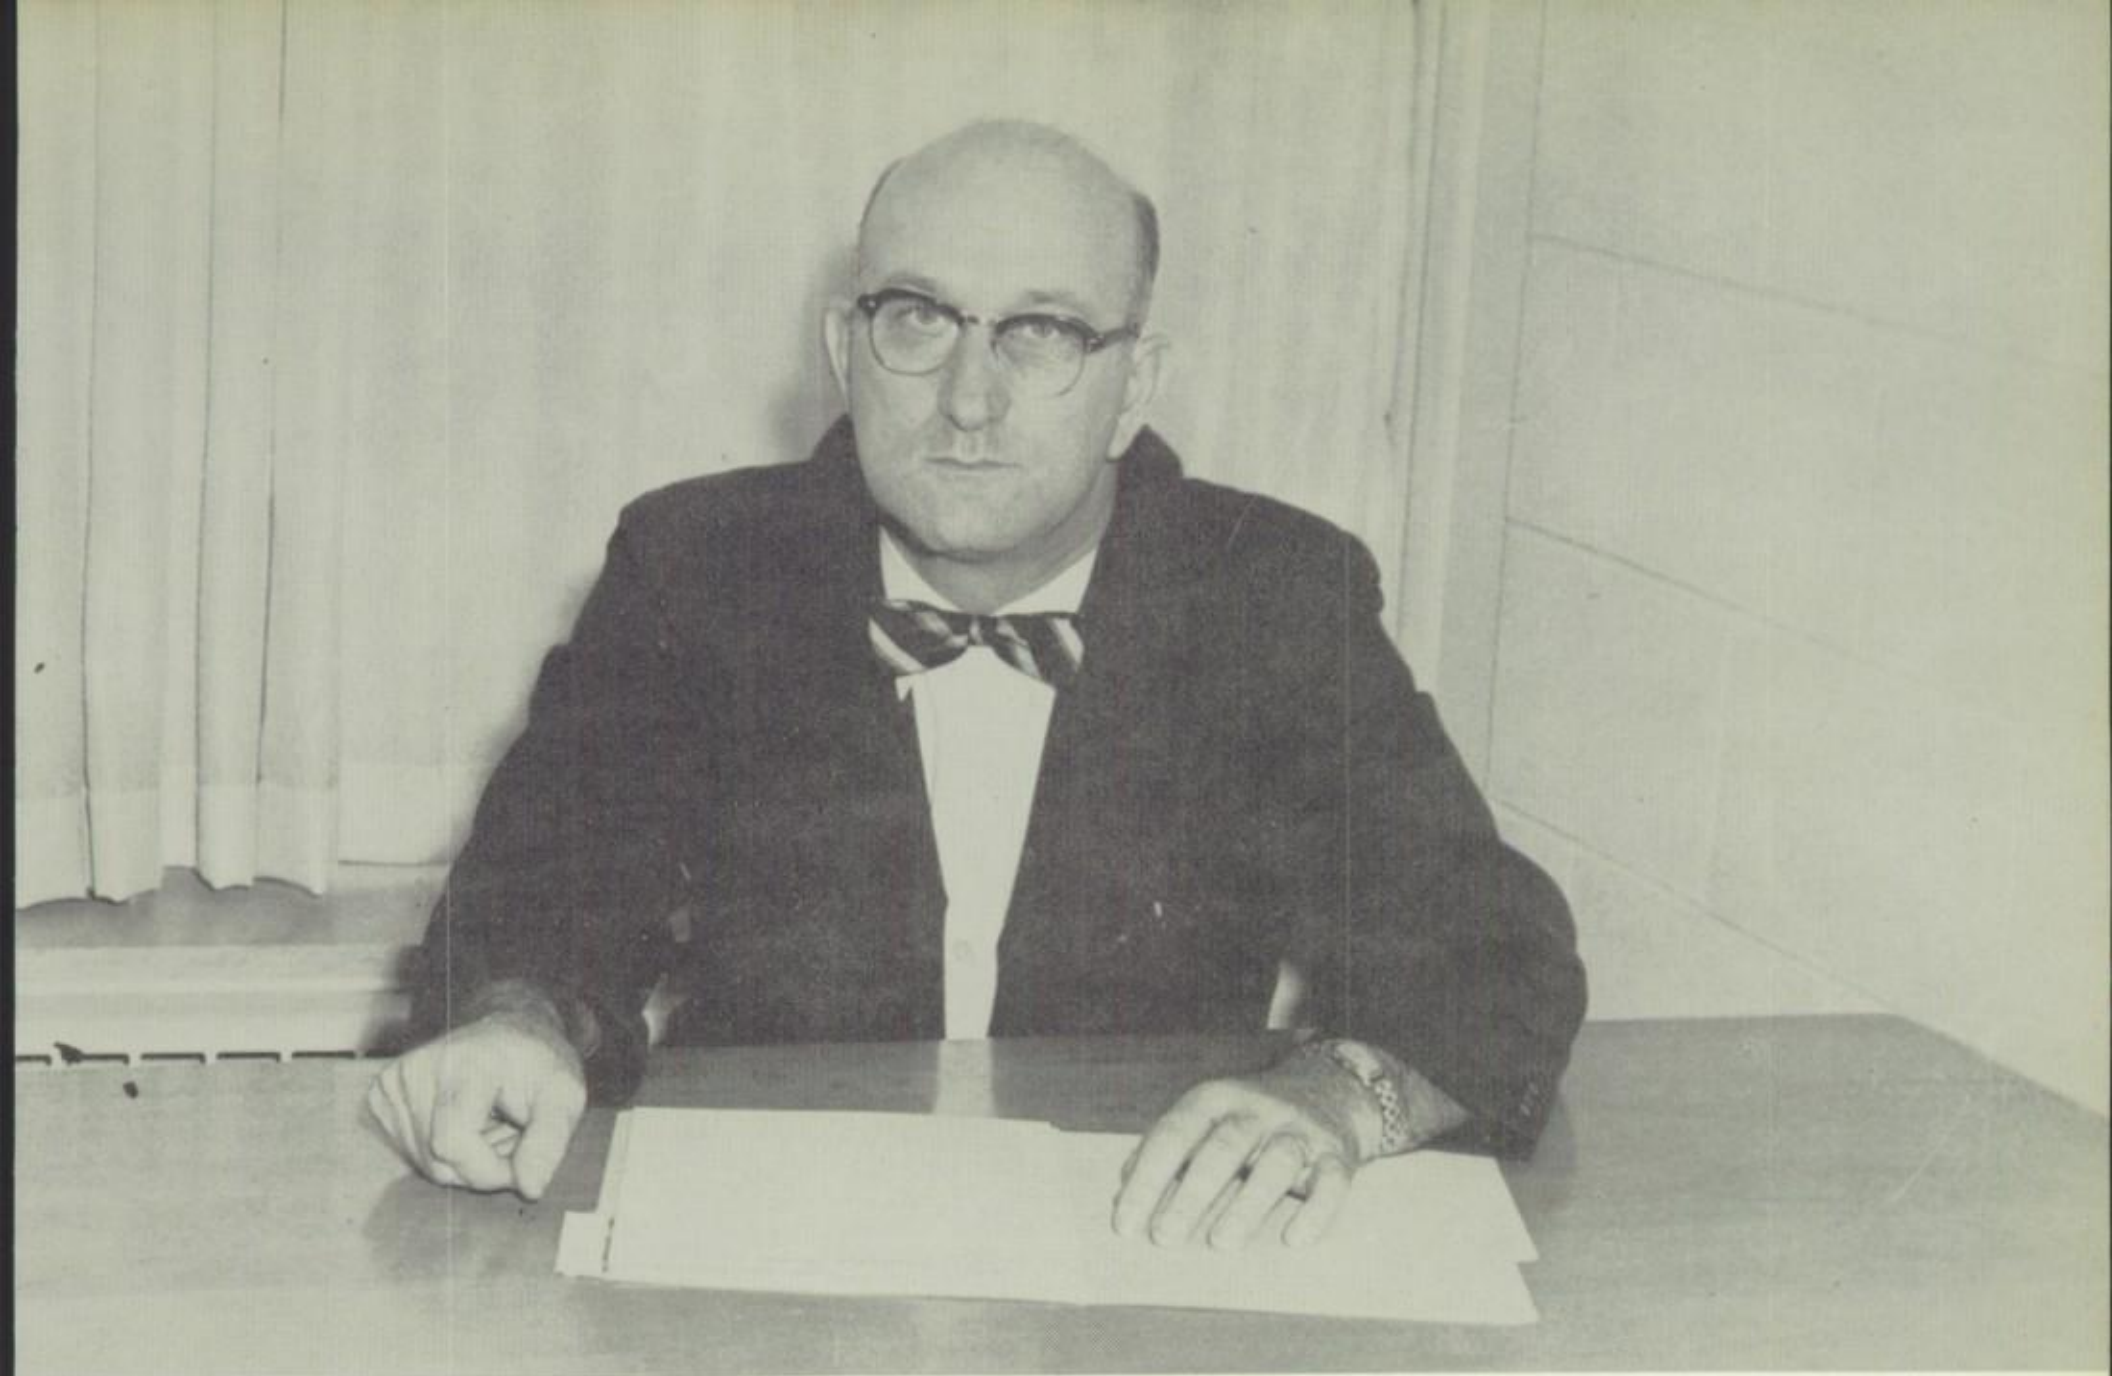

As you leave our school and embark upon life's next great adventure, the best wishes of Wilmington High School go with you.

Science is placing within your grasp powers of greater potential than has been at the disposal of any generation in the history of man.

What you do with the powers accorded you may well determine the preservation or destruction of our civilization.

Use the gifts of God and nature as your "Roads to Success."

TO THE CLASS OF '60:

The "road to success" is sometimes a crooked trail and the forks are numerous. You may at times take the wrong fork in the road. That won't mean that you are doomed for failure. Abe Lincoln failed in business and surveying, but who will deny that he was a successful president?

Remember these things, choose them with care and you will be successful. A person is a composite of the thoughts he thinks, the books he reads, the friends he keeps and the things he desires to become.

Chas. E. Endsley

The W.H.S. Band won first place while participating in the homecoming parade. They competed against two drum and bugle corps, a Scottish marching band, and the Laraway and Coal City Bands.

The band also provided half-time entertainment during basketball season. All types of music were played, including: the waltz, the march, and jazz.

MAGIC CLUB

Mr. Virgil Grider

The Magic Club, under the supervision of Mr. Virgil Grider, again mystified their audiences in this year's production of the Magic Show entitled "Fun With Magic." Among the startling feats of magic were the Chinese ring trick, card tricks, disappearing objects, and humorous pie and water throwing.

The show was so successful that the performers were asked to entertain for the Illinois Council of Exceptional Children.

We wish the Magic Club continued success in the years to come.

Wilmington 26

Plainfield 6

Wilmington, with the aid of TD's by John Billing and Fred Smith, rallied in the second half and gained a 26-6 victory at the hands of Plainfield.

Wilmington 7

St. Patrick 40

The Irish swamped Wilmington 40-7 in the battle of the Mud Bowl. The only Wildcat TD was the result of a pass from Rodgers to Hobbs.

Wilmington 6

Crete-Monee 13

The Wilcats rallied in the fourth quarter, but it proved to be too late as they fell before the Warriors 13-6. Buck Rodgers scored the only Wilmington touchdown of the night.

Wilmington 34

Lemont 7

In a non-conference duel, the 'Cats rolled over Lemont 34-7. Paul Nacey and Fred Smith each scored twice while Buck Rodgers tallied once as Wilmington gained its second victory in seven starts.

Wilmington 18

Kaneland 35

The 'Cats were smothered by a huge Kaneland line as they came out on the short end of a 35-18 score. Keeley, Nacey, and Smith tallied in a losing cause.

Wilmington 53

St. Anne 6

The Wildcats rolled over St. Anne by the score of 53-6. Rodgers provided for 3 Wilmington TD's, Smith and Hobbs each scored once.

Wilmington 6

Bradley 18

A very wet and dreary Homecoming game saw Bradley down the Wildcats 18-6. Don Keeley scored the only Wilmington TD in the second quarter. It was the second consecutive defeat for the 'Cats in conference play.

Wilmington's final game against Momence was canceled due to inclement weather. Thus the Wildcats ended the season with an overall record of 3 wins and 5 losses, and 1 and 4 in conference play.

Wilmington 19

Central 38

The Wildcats tried hard but fell to a stronger Central team 38-19. This loss gave Wilmington a 0-3 record in conference play.

WRESTLING

"Ready, wrestle!" For the first time in the history of Wilmington High School these words echoed, as the Wildcats practiced and trained for their first wrestling season. The season opened on December 16 at Dwight with the Wildcats coming out on the short end of the score 33-25. The next two matches were more successful as Wilmington downed Gardner 36-14 and Kankakee 28-24. This was followed by two losses to mighty Ottawa, 34-20, and Morris teams, 26-18. The Cats bounced back to take Dwight 33-23, one to Kankakee, 37-11, before finishing out the regular season with a 27-25 victory over Gardner, giving the Cats a good 4-4 record.

Coach Reglin took nine wrestlers to the District Wrestling Tournament at Orland Park, Illinois. From this tournament Gene Gartke, a 138 pound junior, emerged with a fourth place medal. Gene then advanced to the Sectional.

With only three seniors on the team, the outlook for next year is certainly promising.

(Donated by Rubinoff)

On December 18, 1959, Wilmington High School students had the pleasure of attending a concert given by the popular violinist Rubinoff and his accompanist Edwin Devery. Among his selections were the Warsaw Concerto, Rhapsody In Blue, and fifteen variations of The Ballad of Davy Crockett.

THE CLOCK OF LIFE

The clock of life is wound but once
 and no man has the power
 To tell just when the hands will stop
 at late or early hour.
 Now is the only time we own, love,
 live, toil with a will.
 Do not wait until tomorrow
 for the clock might then be still.

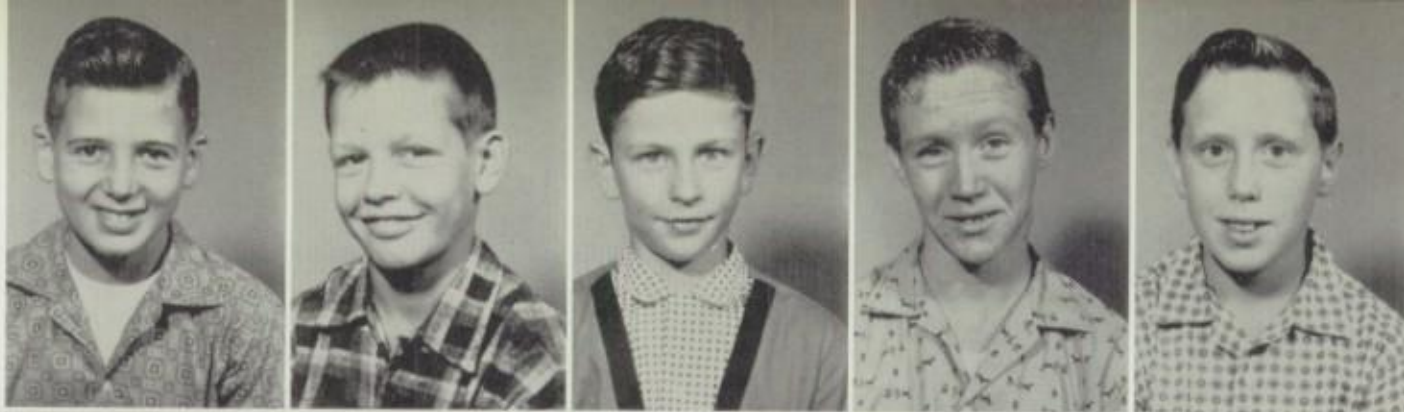

Rubinoff and his
 famed violin.

TRACK

The Wilmington Thinclads led by Don Keeley, Jim Cooper, Ken Smock, Dave King, and Dick Hobbs opened the season with a lopsided victory over Plainfield. Then running into bad weather and tough luck the Wildcats suffered losses to Bradley, Peotone, Herscher, and Joliet Catholic, while stopping St. Paul.

The Wildcats took part in the Will County meet held at Joliet and the Kankakee Valley Conference meet held at Central of Clifton. The Wilmington Thinclads concluded their season by finishing third in the Coal Valley Conference Track meet held at Wilmington.

"OUT OF THE FRYING PAN"

Oh, the things that can happen when three young actors and three young actresses live in the same New York apartment! Dottie Coburn, a petite, dumb blonde, furnishes the funds to keep this little corporation going, although her father from Boston is the original donor. With hard-working Norman Reese, clowning George Bodell, love-struck Tony Dennison and Marge Benson, sarcastic Kate Ault, and dumb Dottie Coburn as the six young people, anything and everything goes. Mrs. Garnet, the landlady, the two policemen, Muriel Foster, Dottie's indignant friend from Boston, and Mr. Kenny, the cookbook-crazy producer, help blow up affairs.

Under Mrs. Grider's superb direction, the last Senior Class play for Wilmington High School was a great success.
